PROJECT IMPLEMENTATION TEAM

**Specific Procurement Notice**  
**Request for Bids**  
**Small Works**  
**(One-Envelope Bidding Process)**

**Country:** Albania

**Name of Project:** Building Resilient Bridges

**Contract Title:** Rehabilitation / Reconstruction of Beshiri Bridge

**Loan No.:** 94790-AL

**RFB Reference No.:** AL-ARA-352286-CW-RFB

1. The Government of Albania has received financing from the World Bank toward the cost of the Building Resilient Bridges Project (BRBP), and intends to apply part of the proceeds toward payments under the contract for civil works related to the rehabilitation and reconstruction of the Beshiri Bridge. Procurement process will be governed by the World Bank's Procurement Regulations.
2. The Albanian Road Authority now invites sealed Bids from eligible Bidders for the rehabilitation/ reconstruction of the Beshiri Bridge, which involves the civil works required to reconstruct a road bridge adjacent to the existing Beshiri Bridge. The bridge is located at km 3+233 along the interurban road section (SH56), connecting the capital city Tirana to the main port of Dures via Ndroq. The reconstruction is expected to be completed within twelve (12) months, with a subsequent Defect Liability Period of twelve (12) months. Qualifications requirement are presented in the Bidding Documents. Bidders are required to have the following minimum qualification:
  - a. The Bidder shall demonstrate that it has access to, or has available, liquid assets, unencumbered real assets, lines of credit, and other financial means (independent of any contractual advance payment) sufficient to meet the construction cash flow requirements estimated as one million one hundred fifteen (1.115.000) Euro for the subject contract(s) net of the Bidder's other commitments.
  - b. The Bidders shall also demonstrate, to the satisfaction of the Employer, that it has adequate sources of finance to meet the cash flow requirements on works currently in progress and for future contract commitments.
  - c. The audited balance sheets or, if not required by the laws of the Bidder's country, other financial statements acceptable to the Employer, for the last three (3) years prior to the deadline of submission (i.e. 2022, 2023, 2024), shall be submitted and must demonstrate the current soundness of the Bidder's financial position and indicate its prospective long-term profitability.

PROJECT IMPLEMENTATION TEAM

- d. Minimum average annual construction turnover of eight million nine hundred thousand (8,900,000) Euro, calculated as total certified payments received for contracts in progress and/or completed within the three (3) years prior the deadline of submission (i.e. 2022, 2023, 2024), divided by three (3) years.
  - e. Experience under construction contracts in the role of prime contractor, JV member, subcontractor, or management contractor for at least the last five (5) years, prior to the deadline of submission.
  - f. A minimum number of similar contracts specified below that have been satisfactorily and substantially completed as a prime contractor, joint venture member, management contractor or sub-contractor between 1st January 2020 and bid submission deadline: Two (2) contracts, each of minimum value 3,570,000 Euro. Or Less than or equal to 2 contracts each of minimum value or 3,570,000 Euro but with total value of all contracts equal or more than 7,140,000 Euro. The similarity of the contracts shall be based on Section VII, Scope of Works, specify the minimum key requirements in terms of physical size, complexity, construction method, technology and/or other characteristics including part of the requirements.
  - g. For the above and any other contracts substantially completed and under implementation as prime contractor, joint venture member, or sub-contractor between 1st January 2020 and Application submission deadline, a minimum construction experience in the following key activities successfully completed.
    - Bridge construction
      - Construction of in situ 1000 mm diameter drilled piles up to 20 m deep (minimum 5,500 m).
      - Construction of three (3) bridges with precast concrete girders (minimum total span length 100 m).
    - Road construction
      - Construction of road embankments (minimum 100,000 m3).
      - Construction of concrete asphalt surface course (minimum 50,000 m2).
3. Bidding will be conducted through national competitive procurement using a Request for Bids (RFB) as specified in the World Bank's "Procurement Regulations for IPF Borrowers", dated July 2016 as amended on November 2020, ("Procurement Regulations"), and is open to all Bidders as defined in the Procurement Regulations.
4. Interested eligible Bidders may obtain further information from Albanian Road Authority and inspect the bidding document during office 08:00 to 16:30 (Monday to Thursday) and 08:00 to 14:00 on Friday at the address given below.
5. The bidding document in English may be purchased by interested eligible Bidders upon the submission of a written application to the address below and upon payment of a nonrefundable fee of 10.000 Albanian Lek. The method of payment will be a direct deposit to the ARA through the Albanian Treasury at the following account:
